HOUSTON CONTRACTORS ASSOCIATION / HOUCONPAC ANNOUNCES ENDORSEMENT OF ED EMMETT FOR HARRIS COUNTY JUDGE

The Houston Contractors Association (HCA), through its political action committee HOUCONPAC, has officially endorsed Judge Ed Emmett for election as Harris County Judge. "The civil construction community feels that Judge Emmett, with his background in public service and transportation, is the perfect person for this job," stated Mr. Jeffrey Nielsen, Executive Vice President for HCA. "Infrastructure is the base upon which a strong county is built and no one in this race understands that like Judge Emmett."

The Houston Contractors Association was formed in 1956 and is a local non-profit, trade association which provides services to approximately 400 member companies in the civil construction industry. HCA is active in City, County and State government relations and is proud to officially endorse Ed Emmett for the position of Harris County Judge.
